Hi family- I did attend area service last month and that went well. I did not have any commitments to attend to this past month other than filling out the paperwork for the jail which I have finally done and will mail it in. I did receive an email from Erin Maloney regarding the juvenile facility, saying that they will have orientation for existing members that prior to the pandemic were already going into the facility. They will not be doing orientation for any new people at this time. That orientation will be Thursday July 29th @ 5:30pm. IIS, Danny

JUVENILE DETENTION CENTER PANEL COORDINATOR – Position Open – (no report):

BEHAVIORAL HEALTH CENTER PANEL COORDINATOR – Mike H. – Present (written report):

Hello Family,

For the month of May scheduled was as follows

May the 6th : Traci G & Christy S

Christy had a prior commitment but Traci did make the meeting. 4 people came and they discussed Hope & Change

May the 13th : Rachel F. Was unable to carry a meeting in as she had to work late. She did call the desk to inform them.

May the 20th : Christy S. Had 12 clients and said that the meeting went very well.

May the 27th : Taylna E. Due to a death in her family was unable to make it

As a result of missed opportunities and per previous requests due to changes in our NA member Schedules, I put an email request into Katie at BHU , asking if it was possible to make changes to schedules. It was received very well and I was told based on timing they would try to make changes accordingly.. There were more details discussed.I have had many conversations with her in depth but will refrain and offer upon request.

In response to an email sent to H&I I will respond by saying that none of our members were out of order.. All requests were submitted and accepted.

Due to Katie , The BHUs representative misreading the last email , One of our volunteers were turned away and became visibly upset.. Unfortunately the end result was a request for this volunteer not to return.

I offer this from my heart and that is not only our message but our actions are represented . NA is what suffers most. If we are in service I hope we are doing it out of our love for NA as a whole and always keep that in mind.

I will say that also as a result that I have learned that it might not be my place to try and rectify missing dates when life shows up.. I will yield to H&I for a decision in this matter.

Thank you in loving service ,
Michael H .

Superintendent Clay A. Corbin
Northwestern Regional Adult Detention Center

Winchester, VA 22603

Dear Superintendent Corbin:

Enclosed please find a form for use in ordering Narcotics Anonymous literature. You may order our literature from the World Service Office address on the form. We feel that our literature has value for addicts seeking recovery. When our Hospitals and Institutions Subcommittee provided literature to the addicts in your facility, it was well received by them. We have found that reading Narcotics Anonymous literature is an important part of a program of recovery. We will continue to provide pamphlets (IP) at our meetings. We hope you will wish to continue to have Narcotics Anonymous literature available for the residents in your facility. Please feel free to contact us if you would like more information.

Sincerely,

Trusted Servant, Secretary
