ARTICLE I: NAME

The name of the Area shall be SheVANA (Shenandoah Valley Area of Narcotics Anonymous). The name of the committee for this area shall be the SheVANA ASC referred to as the ASC throughout these guidelines.

ARTICLE II: SERVICE AREA

The SheVANA service area shall include the following areas but it is the desire of the ASC not to have any set boundaries: Front Royal, Winchester, Mount Jackson, Virginia; Inwood, WV, and surrounding areas. Any group that so wishes may join SheVANA Area. All Home Groups of the SheVANA Area shall be listed on the Area's meeting lists (printed and on Area website)

ARTICLE III: PURPOSE

Our Fifth Tradition states that our primary purpose is to carry the message to the addict that still suffers. The mission of Narcotics Anonymous is that "no addict seeking recovery need ever die." In March of 1998, to answer a need that was arising, SheVANA was formed to be a conduit between the groups and the Region and thereby the World to keep to that mission. No addict could ever benefit from competition between the areas and we choose to bring to the table only enthusiasm, cooperation and a commitment to abide by the Traditions, the Concepts and the Steps of Narcotics Anonymous.

ARTICLE IV: SHEVANA - ASC BUSINESS MEETING

The ASC of SheVANA shall conduct a Business Meeting once a month and shall comply in all its actions with the following in succession:

- Twelve Traditions of Narcotics Anonymous
- Twelve Concepts of Narcotics Anonymous
- Current version of the ASC Guidelines along with any motions passed but not yet incorporated into an updated version.
- Current Narcotics Anonymous "A Guide to Local Service"
- Current Robert's Rules of Order (newly revised)

4.1 WHEN HELD

The purpose of the meeting shall be stated in the written request. No business other than that which is stated in the written request shall be conducted a minimum of seven (7) days' notice shall be given to all active voting members of the ASC.

4.2 FORMAT/AGENDA

The business meeting of the SheVANA ASC shall follow a pre-determined agenda, which is as follows:

Chair encourages new attendees to ask questions at any time or speak with an ASC Committee member during break or after the meeting. Each new group shall be provided with a hard copy of the SHEVANA Policy Guidelines and a Guide to Local Service booklet. The cost of the Guide shall be reimbursed by the ASC.

This report must include any funds to be requested (whether or not a standing budget exists) providing an itemized statement of the amount and purpose of requested funds. Reports are presented orally and followed by calling for questions about the report. When all questions are answered, the Chair will call for vote on the funds request on any non-standing budget requests or amounts over standing budget requests.

If an attendee of the ASC (voting or non-voting member) expresses corrections, the required changes are noted and the ASC Chair calls for a motion to accept the minutes as amended. A voting member moves to accept the minutes/amended minutes, a voting member shall second the motion and a vote is taken. A simple majority vote is required to accept the minutes.

The Chair shall read out the list of the member groups of SheVANA. Each Group Service Representative (GSRs or GSR-Alts in the absence of the GSR) will indicate their presence when their group name is called. Old Business includes all unfinished business from the preceding months' ASC including all motions that were taken back to the groups for a group conscience vote. Nominations will be sought for any open Trusted Servant position.

4.2.9 New Business

The process of presenting New Business to the ASC is as follows:

a. Motions:

Presentation of Motion(s) - The ASC Chair shall present motions as follows:

- Regional Motions will be sent back to groups and voted on at the next ASC (see Sect. iv Time Constraints) * VRCC Motions will be sent back to groups and voted on at the next ASC (see Sect. iv Time Constraints)
- ASC Motions in the order they were submitted, starting with the name of the group or person making the motion, where applicable, and the name of the GSR seconding the motion. The ASC Chair and/or the Parliamentarian will determine if a motion is Structural or Procedural (see Article XV - Def. of Terms)
- Question and Answer Period - Led by ASC Chair, follows the reading of the motion to help the body gain a clear understanding of the motion and its intent as well as the change or effect that will result if the motion is passed. The Chair shall determine an appropriate ending point to the Q&A discussion period.
- Pro and Con Statements - The Chair will entertain no more than two (2) pro and two (2) con statements on any motion. No member may speak on a motion more than once unless the Chair requests clarification on previous statements.

Voting member may present a motion indicating time does not permit an issue to be taken to groups. The ASC then votes on the validity of time constraints. If the ASC agrees by a 2/3 vote that a valid time constraint exists, the motion is presented on the floor for immediate vote.

Withdrawal of a Motion - The maker of a motion may withdraw the motion from the floor at any time prior to the motion being sent back to groups.

- b. Treasurer's Report - The report will state the following:
- Last months' closing balance

4.2.10 Voting - Procedural and Structural Motions

- **Procedural Motions** only need a simple majority to pass and if not received, the motion dies or must be resubmitted with amendments as possibly indicated by polling of abstentions.
- **Structural Motions** must be passed by a two thirds (2/3) majority and are generally sent with GSRs to groups for a vote. During voting if two-thirds vote yay or nay is not received, the motion must be sent back to groups again if time permits. At the following ASC abstentions no longer count. The motion passes if two thirds (2/3) of those voting on this motion vote in favor

Initial votes for procedural and structural motions are the same. The number of voting members is determined. Abstentions will be called and counted first. If the number of abstentions is one third (1/3) or greater voting cannot proceed. The Chair will poll the abstentions and ask them to present the reason for abstention. This is done to identify potential problems. The Chair can open the floor for brief discussion if determined necessary.

4.2.11 Closing

The ASC Meeting shall close no later than 9:00 p.m. When all business before the ASC is concluded, the Chair shall call for a motion to close, a voting member shall second the motion and a vote will be taken. The Chair shall close the meeting with a moment of silence and the Serenity Prayer.

Any member of Narcotics Anonymous may nominate any other member or themselves for any Trusted Servant position. No individual may hold more than one elected ASC Trusted Servant position at a time.

The ASC Parliamentarian as outlined in Section 12.3 can be considered as candidate but would not automatically chair ad hoc committees not related to Policy issues.

6.3 TERM

The term for each Ad Hoc Subcommittee shall be two (2) months. The ASC may vote to extend the term of an Ad Hoc Subcommittee for another two (2) months if the work assigned has not been completed.

This letter will state that the trusted servant MUST be present at the following ASC Meeting or their position will be considered vacated.

7.3 NON-FULFILLMENT OF DUTIES

Any person may raise the issue of non-performance of duties of any elected official. This will prompt an open forum review by the ASC where the issue can be discussed. If the issue is not resolved during Open Forum, a motion for remedy can be submitted and presented under New Business.

Removal of a meeting will occur only if the meeting has been confirmed closed.

The member elected to the position pro temp shall retain all rights and responsibilities of the position through the normal term without prejudice such that holding a position on a pro temp basis will not be judged against the restriction on holding an office for two consecutive terms.

13.2 MISSION, SPECIFIC DUTIES, BUDGET AND EXPENSES OF ASC SUBCOMMITTEES

Standing Subcommittees have a mission to perform specific duties as outlined by the ASC in to provide the best service to the Groups. As discussed in the Guide to Local Service, SheVANA strives to strike a balance with its subcommittees between accountability and delegation and giving them enough liberty to serve. Therefore, subcommittees set their own meeting schedule and format, prioritize and organize their own tasks and elect their own officers as needed with exception of the Subcommittee Chair who is elected at the ASC.

A subcommittee may choose to develop guidelines to help them uphold their mission more effectively. If such guidelines are developed and adopted by the subcommittee, it is recommended – but not required – that a copy be submitted to the ASC Parliamentarian to be archived. If guidelines are developed and adopted by the subcommittee, it is recommended - but not required – that they be implemented by future subcommittees through the elected Subcommittee chair although they may be revised as needed.

13.2.1 Literature

To be the written voice for those who want to share their experience strength and hope with others; to provide information about events, committees and anniversaries. The Newsletter committee will be responsible to publish a newsletter listing area and regional events. Some newsletters also run articles on local service activities and members' recovery experiences. These area newsletters are often read as if they speak for Narcotics Anonymous as a whole, so it is important for this committee to follow the Fifth Concept, ensuring the newsletter has a responsible editorial policy. A Handbook for NA Newsletters is available and provides more information on the work of the newsletter subcommittee.

Duties

- Request and collect articles, stories, announcements, art, etc. to include in monthly newsletter;
- Edit material as needed in keeping with WSC Newsletter Guidelines;

Activities like these can provide a greater sense of community for the local NA Fellowship and produce additional area income. It should always be kept in mind, however, that these functions are designed to enhance NA's primary purpose, not to replace group contributions in funding area services.

ARTICLE XV: DEFINITION OF TERMS

15.1 MOTIONS

- Amending a Motion: A motion may be amended while on the floor to strengthen/alter/clarify the wording and intent.
- Procedural Motion: Procedural motions affect what we do rather than how we do it.
- Procedural motions do not have to be sent back to groups although this may be requested and require a simple majority to pass. Example: Choosing to have a fundraiser in our area.
- Structural Motion: The format used and methods followed by the ASC are defined by the structural "rules" we have developed. Offering a motion to change how we operate involves a structural change to the ASC or SheVANA Policy. Structural motions must be sent back to home groups and require a two-thirds (2/3) vote to pass. Example: Changes to SheVANA Policy like subcommittee budget amounts, voting procedures, etc. Any Structural Motion that has an impact on SheVANA Guidelines may be sent to the Parliamentarian by the ASC Chair at their discretion for further review, input and/or clarification of the motion with the motion- maker.
- Tabling a Motion: Any voting member may request that a motion be put on hold until the next

ASC meeting for the purpose of gathering specific or more general information regarding the motion. The Chair shall ask for a motion to “table”. If there is a motion and a second, the Chair calls for a vote. If the motion to table is approved, the maker of the motion may be asked to bring more general or specific information to the next ASC for the purpose of clarification. Tabling a motion must occur prior to the pros and cons being requested.

15.2. VOTING

Voting Options are as follows:

- For – The Group Conscience approved the motion
- Against – The Group’s Conscience did not approve the motion
- Abstention – Group Conscience was not taken on motion or the motion was not clear.

The ASC Chair may vote in the event of a tie.

- Voting Members: The GSR or GSR-Alternate in the absence of the GSR of a group in SheVANA is a voting member. Each group represented may cast only one vote on any motion. An individual may represent only one group for voting purposes.
- Non-voting Members: The non-voting members of the ASC shall be all others in attendance.

15.3 CLARIFICATION

- Point of Information: a question pertinent to the discussion at hand. The ASC Chair will determine the appropriate person to supply the needed information.
- Point of Order: A question by any member about the process of the Rules of Order or a particular motion. The Chair may ask for policy clarification from the Parliamentarian of the ASC, as well as the Policy Subcommittee Chair. A member can ask the Chair for clarification of Robert’s Rules of Order at any time.
- Quorum: Number of voting members required to continue with the business of the ASC. Quorum is equal to a simple majority of the active groups. An active group is any group that was represented at least at one of the two (2) previous ASC meetings.
- Active Group- Any group that was represented in at least one of the last two ASC meetings (current meeting included) is considered an Active group for purpose of determining quorum. Quorum is equal to a simple majority of the active groups.

WELCOME TO AREA SERVICE!

Well if it is the second Monday of the month and you have found yourself at the Grace Community Church, 2333 Roosevelt Blvd. in Winchester, VA, then you may have planned to attend Shenandoah Valley Area of NA Area Service Committee meeting.

What to Expect – generally the meetings will follow the same general format and things happen in the following order:

Meeting should open by the Chair promptly at 6:30 p.m.; it is helpful to all if you are on time!!

Moment of Silence; Serenity Prayer; Traditions read; Concepts read; SHEVANA Purpose read.

Executive Reports – Chair; Vice Chair; Secretary (this includes approval of the minutes of the last area service meeting. ‘Approving the minutes’ means they accurately captured what transpired at the last meeting. Treasurer (report just before new business); Regional Committee Member (RCM) (this is the person who is designated to attend the bi-monthly Regional Service Meetings and report back to the area); RCM-alternate

Subcommittee Reports - Public Relations; Hospitals & Institutions; Special Events; Literature; Outreach; Newsletter. The subcommittee chairs will give a report on the committee’s activities and fund Accounting for the preceding month. Most committees have monthly committee meetings that all may attend and the chair should announce the date, time and location of these meetings. If you do not know the function or purpose of any of these committees, get with the chair during the break and they will be happy to explain.

Open Forum - Discussion about Twelve Concepts and any other issues- not to exceed 20 minutes; Break - ten minutes; Group Roll Call – A majority of Active groups is needed to make “quorum” and a quorum is needed to continue with business. This number has been set by a count of all Active Groups in the area and a majority of that number. An Active group has not missed more than two consecutive area service meetings (is your group active?) If you are GSR for a Home Group, when your Group’s name is called you say your name and your position (GSR or alternate)

Old Business – Old Business refers to motions submitted at the previous area service that were taken back to Home Groups to collect a conscience (vote) on the motion. Old Business can contain motions from the Region as well that have been previously presented by the Regional Committee Member (RCM). Old Business also contains Elections (Committee Positions needing filled) (nominations for all positions come up in January; full elections are held in February)

New Business – New Business begins with Treasurer’s report: Beginning Balance (which should be end balance from last ASC); Checks Written; Donations In; Other items. After Treasurer’s report is the introduction of New Motions - first are Regional Motions and then Area Motions. Motions are presented and then discussed briefly. Some motions may be voted on at this time but most you will take back to your Home Group for more discussion and then to get your group’s conscience to bring back to next area service when it will then come up under Old Business

Announcements - Anniversaries, Special Events, Subcommittee meetings – You will want to get this information to take back to your group.

Meeting Closes no later than 9:00pm Chair may have to table unfinished business to next meeting.

Questions – Frequently Asked and Ones You Really Want to Ask

I don't understand a thing!! That is very natural for a first time. There is terminology used in N.A. Service Meetings that is not typical for Recovery Meetings. Until you get more familiar on how these meetings work, the Area Service Committee (ASC) Meeting may seem to go fast and be chaotic. After you get the hang of it, it will not seem to go too quick to follow, but it may still seem chaotic at times. That is because none of us are professionals at this. We just do our best.

When should I vote? The Chair will indicate when he/she is “calling for a vote”. A motion is made either from the ‘floor’ (body of people attending meeting) or given to the Chair in writing. Every motion needs a ‘Second’. Only a GSR can second a motion but anyone can make a motion. Sometimes there is discussion of the motion, then the Chair will call for a vote. Motions which will change our Guidelines are sent back to Home Groups for you to present to your group for discussion and vote. You will bring that vote back to the next area service. Only GSRs or alternates (but not both) are allowed to vote on issues. They are the only carriers of a Home Group Conscience.

How should I vote? The simplest answer is to say you vote how your group has directed you to vote on motions. There may be times when you are asked to vote on an issue that your group has not previously considered (whether because it came up at a prior meeting or has come up now and will not be sent back to groups for a vote). At this time you should vote as you feel your group would want you to vote. This may be to abstain on a motion (meaning to not vote either yes or no). You will want to keep track of what happened; how you voted on motions and the results of the motion (did it pass, fail or will it be coming up again). As GSR, you are bound to represent your group and vote the collective conscience even if YOU do not agree. There is something very selfless and spiritual about doing that.

Can I ask questions? Absolutely. You can raise your hand at any time and ask the Chair to explain what is happening. This is actually better in some ways than turning to your neighbor to ask as that way neither of you misses anything. You know what they say ‘There are NO Stupid Questions’. If you have the question probably others do too. We all were new to area service at one time.

People seem to be getting mad at each other ... why? People seem very polarized in their view of ASC meetings. They either love them or hate them – sometimes both feelings at the same time. But there can be no argument to the fact that these meetings are necessary. There may be tension at these meetings. Our egos seem to flare here more than in recovery meetings. The Chair will try to keep things in control and not allow for personal attacks, but things may still feel a bit tense. Do not let this scare you away. NA needs representation from Home Groups. All major decisions made in NA are usually in some way determined by Home Group Consciences from around the world. Often you will see the same people who seem about to go to blows, work the Tenth Step with each other and exchange hugs and smiles at the end of the meeting. You can talk to your sponsor if feelings come up for you during these meetings.

Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

**SHEVANA AREA HOSPITALS & INSTITUTIONS
SUBCOMMITTEE GUIDELINES
As Amended March 2018**

I. PURPOSE

The SheVANA Area Hospitals & Institutions Subcommittee is responsible to carry the Narcotics Anonymous message of recovery into hospitals and institutions where addicts do not have full access to regular N.A. meetings.

The Hospitals & Institutions (H&I) Subcommittee initiates, conducts and coordinates all H&I meetings in the Area but may use other methods, such as distributing literature and meeting lists, to make recovery more available to the addicts in these facilities.

Here is what the subcommittee does:

1. Provides a monthly forum to pool experiences. "I can't - we can."
2. Prepares H&I policies and guidelines for the H&I subcommittee's and the ASC's approval.
3. Serves as a communications link between local H&I meetings/presentations and H&I subcommittees at the regional and world levels.
4. Selects the members who are to conduct the H&I meetings.
5. Serves as a distribution point for literature for the meetings and reports these transactions to the ASC.
6. In cooperation with PR, makes all initial contact with facilities.
7. Conducts learning days, workshops, and orientations on relevant topics.
8. Is responsible for all H&I-oriented services within the area.

Subcommittee requirements:

- New members must attend two consecutive subcommittee meetings before they are considered active members and eligible to be part of a panel.
- All active H&I members must attend at least 1 H&I Subcommittee meeting every quarter (3 months).
- If an active member misses 2 consecutive quarters (6 months) of H&I subcommittee meetings without communication with the Chairperson or Vice Chairperson regarding their absences, their status will become inactive.
- To become active again the member must attend 2 consecutive Subcommittee Meetings.

II. SUBCOMMITTEE TRUSTED SERVANT POSITIONS

General Provisions

the next subcommittee meeting after elected. In the interval, the outgoing trusted servants should mentor the incoming trusted servant.

- All trusted servants, except the Chairperson, must have one (1) year of clean time when elected to the position and an NA message of recovery. The Chairperson must have 18 month clean.
- All elected trusted servants must attend all subcommittee meetings and provide a written report that they shall read at the meeting.
- Any elected trusted servant, except the Chairperson will be replaced at the second consecutive absence unless prior notice and arrangements were approved of by the subcommittee, or he or she has submitted a report in writing to the subcommittee chair. It is the trusted servant's responsibility to see that the Chairperson actually receives the report.
- If necessary, any trusted servant, except the Chairperson, may be removed by a 2/3 vote of the subcommittee.

A. Chairperson

The Panel Leader can do this communication but the Chairperson should ensure that it is taking place. The H&I Chairperson is responsible to ensure that all Panel Leaders and Panel Members comply with the H&I Subcommittee and ASC policies, as well as the rules of the individual institutions.

B. Vice Chairperson

The Vice Chair is to assume the duties of the Chairperson, if the Chairperson is unable to serve. It is also the duty of the Vice Chairperson to assume the duties of the Secretary, Literature Coordinator or any Panel Leader in the event of absence or vacancy.

The Vice Chairperson works with the Chairperson and Panel Leaders to maintain a smooth operation of this Subcommittee and the meetings it conducts.

4. Maintains an ongoing file of all correspondence and minutes.
5. May have other responsibilities depending on the local H&I guidelines.
6. Keep on hand 5 copies of each facility's volunteer application.

E. Panel Coordinator

1. One (1) year clean time requirement.
2. The individual elected Panel Coordinator must have three (3) months previous involvement with the subcommittee.
3. The Panel Coordinator is responsible for all aspects of the meeting such as providing supplies and literature.
4. The Panel Coordinator is to maintain a link of communication with the Chairperson and/or Vice-Chairperson letting them know of any problems that affect the meeting. The Panel Coordinator should have regular communication with their contact person at the facility to ensure that all is as it should be.
5. Panel Coordinators will include in their reports who served at the meetings.
6. Panel Coordinators should make an effort to schedule and rotate all approved volunteers.

F. Panel Members

The Panel should never consist of less than two members. The Panel Coordinator selects panel members from the current H&I volunteer list.

1. Six (6) months clean time, and a willingness to share their experience, strength and hope. A clean time requirement is important to ensure it is truly a message of recovery we are carrying and not just the disease. Some facilities will not have any clean time requirements, but we should still place this standard upon ourselves to ensure consistency of the recovery message.
2. This is the essential element of H&I work—the member who goes to share his or her experience, strength and hope at the H&I meeting. Without these people, our H&I work would be completely impersonal at best.
3. Areas should develop some basic requirements for members who are to carry the message in H&I. A good understanding of the fellowship and the policies relevant to this H&I meeting is essential. Orientation of inexperienced members is a good idea. Have a new panel member attend the meeting to listen and observe the panel the first time or two. This will make them more aware of what their role on the panel will be.

III. STANDING BUDGET:

The Shevana H&I Subcommittee has a monthly standing budget with the Area Service Committee. Our budget is \$125 per month. The budget can be used for meeting space rent, secretarial expenses and literature.

An H&I representative must attend the ASC meeting each month in order to request our standing budget. It is up to the H&I Subcommittee which facility the literature goes to each month. Literature is to be purchased from Shevana Area Literature Subcommittee.

IV. ADDITIONAL GUIDELINES

1. Unless contrary to these Guidelines, the NA H&I Handbook shall always govern.
- 2.. The volunteer list is updated regularly by the Secretary. Members who have suffered a relapse are automatically removed and the Secretary or Chairperson may ask the subcommittee to remove other names for the following reasons: Panel Leaders have reported the volunteer habitually fails to show up for commitments, a facility makes a justifiable complaint or the Panel Leader reports unacceptable behavior about an individual.
3. The Chairperson or Vice Chairperson will review the Panel Orientation Package and the Subcommittee Guidelines with new volunteers after the regularly scheduled meeting (time permitting) and get the information required to place the volunteer on the H & I volunteer list for the Secretary.
4. Only literature listed in Appendix A is to be taken into a facility.
5. Attending Meetings alone is NOT advised.
6. It is the policy of the H&I Subcommittee that volunteers do NOT give phone numbers to clients/patients/residents in H&I meetings.
7. Any member of the H&I subcommittee is automatically disqualified from further H&I activity upon relapse, but may again become eligible when he or she can conform to the requirements in these guidelines. Being clean for the purposes of this H&I subcommittee shall be defined as complete abstinence from all drugs.
8. Any member not conforming to these requirements or any others which might be added later, or who refuses to abide by the rules and regulations of the facility being served, shall automatically be relieved of any H&I subcommittee assignments.
9. No Narcotics Anonymous meeting/presentation regularly conducted under the auspices of the H&I subcommittee shall be held in any facility, except when directly supervised by the H&I subcommittee or its delegated leader. This appointment must be acceptable to the facility being served.
10. Any NA member who is involved with a given facility on a professional or volunteer basis should not participate in the panels serving the addicts in that facility. This is intended to avoid possible conflict and the resulting damage to:
 - (a) the inmate or patient inside, or
 - (b) the working ability and privilege of the subcommittee to carry the message inside the facility.
11. For these same reasons, no H&I member will interfere with or use influence in any facility, court, or hospital; nor with any judge, doctor, probation, or parole officer.
12. Further, H&I members will not make any comments or promises regarding employment, parole, probation, or medical problems. We carry only the message of Narcotics Anonymous: recovery from addiction through our spiritual program. Of course, these members may participate on panels going to other facilities.
13. Length of time clean required by each facility is to be rigidly upheld by all H&I panel leaders.
14. Excessive use of profanity or the use of vulgar stories in your sharing is strictly prohibited by the authorities of all facilities, and strongly discouraged by the H&I subcommittee.

15. H&I panel members shall be responsible for their conduct in any facility, and they shall take responsibility to become informed in advance regarding the regulations of the facilities being served.

Twelve Concepts for NA Service

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

TWELVE TRADITIONS OF NA

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

- 1.** Our common welfare should come first; personal recovery depends on NA unity.
- 2.** For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.** The only requirement for membership is a desire to stop using.
- 4.** Each group should be autonomous except in matters affecting other groups or NA as a whole.
- 5.** Each group has but one primary purpose—to carry the message to the addict who still suffers.
- 6.** An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
- 7.** Every NA group ought to be fully self-supporting, declining outside contributions.
- 8.** Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9.** NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
- 10.** Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
- 11.** Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
- 12.** Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Understanding these Traditions comes slowly over a period of time. We pick up information as we talk to members and visit various groups. It usually isn't until we get involved with service that someone points out that "personal recovery depends on NA unity," and that unity depends on how well we follow our Traditions. The Twelve Traditions of NA are not negotiable. They are the guidelines that keep our Fellowship alive and free. By following these guidelines in our dealings with others, and society at large, we avoid many problems.

That is not to say that our Traditions eliminate all problems. We still have to face difficulties as they arise: communication problems, differences of opinion, internal controversies, and troubles with individuals and groups outside the Fellowship. However, when we apply these principles, we avoid some of the pitfalls. Many of our problems are like those that our predecessors had to face. Their hard won experience gave birth to the Traditions, and our own experience has shown that these principles are just as valid today as they were when these Traditions were formulated. Our Traditions protect us from the internal and external forces that could destroy us. They are truly the ties that bind us together. It is only through understanding and application that they work.
